-

WORK EXPERIENCE

- Junior Engineer in Anjan Drugs Private Limited, Chennai** *Jan 2022 – Dec 2022*
- Operated manufacturing equipment to produce high-quality Active Pharmaceutical Ingredients (APIs) and Intermediates.
 - Maintained accurate records and documentation of production processes and test results.
 - Collaborated with cross-functional teams, including engineering and quality assurance, to ensure smooth and efficient operations.
-

INDUSTRIAL EXPOSURE

- Internship at Danao Green Tech on Industrial Water Management *Sep 2020 – Oct 2020*
- Implant training at Dalmia Bharat Cements Ltd *Jun 2019 – Jul 2019*
- DWSIM Workshop at NIT, Trichy *Aug 2018*

PROJECT

- **Flex Hover Slider**

A Flex Hover Slider Using Simple HTML, CSS and JavaScript. The picture and text within it expand as the user hovers over any slide. We will create various image sections inside the hover slider, and within those sections, we will create various images with various sections in accordance with the pictures.

- **Clothing Store Website**

Designed and developed a responsive e-commerce website for a clothing store using HTML, CSS, JavaScript and implemented admin panel for inventory management.

- **Age Calculator using JavaScript**

JavaScript has some built-in date and time functions, which help to calculate the age from the date (Date of Birth). Using these JavaScript methods, you can easily find the age of anyone. For this, we require a date input from the user and the current system date.

- **Online Quiz Portal**

Developed a full-stack online quiz portal using HTML, CSS and JavaScript. Implemented question shuffling, and result calculation.

CERTIFICATION

- Six Sigma Yellow Belt, Advanced Innovation Group Pro Excellence (AIGPE)

CO-CURRICULAR ACTIVITIES

- Microsoft Student Ambassadors JavaScript & React.js Bootcamp, hosted by Microsoft Learn Student Ambassador

PERSONAL ATTRIBUTES

- Strong problem-solving, time management, teamwork, communication, analytical thinking and adaptability.
